Make an experience of your own.

- Design your own space taxi! First, plan your design. Then, create it. Next, evaluate if it has all of the features that make it a great taxi for intergalactic security work. Lastly, share your space taxi with others.

Imagine

Use your imagination to explore.

- There are more Space Taxi adventures to read. Write and illustrate your own version of a Space Taxi story.
- Choose one chapter from the book and imagine it as a play. Find friends to help you write dialogue and design some props. Practice and then perform your play!
