

# The Code Busters Club, Case #4: The Mummy's Curse

HAVE FUN!

By Penny Warner

## DISCUSS

Talk through your thoughts.

- This book is the fourth book in a series. Do you like reading books from a series? Why or why not? If you wrote a series what would it be about?
- With an adult, visit [www.CodeBustersClub.com](http://www.CodeBustersClub.com).

## CREATE

Make an experience of your own.

- Create an IDENTITY for yourself. Include code name, description, special skill, message center, career plan and code specialties.
- Create your own code and send messages to friends and family.

## IMAGINE

Use your imagination to explore.

- Imagine you worked in the Rosicrucian Egyptian Museum. Explore [www.egyptianmuseum.org](http://www.egyptianmuseum.org) to learn more about Egyptian artifacts.
- "Sometimes you have to look at something for a while to really see it!" (page 20) Explore and find the hidden letters everywhere around you. Can you imagine a hidden message?
