

Spy Codes & Ciphers

By Susan K. Mitchell

HAVE FUN!

DISCUSS

Talk through your thoughts.

- Codes have been used all throughout history. Why have codes been important?
- Watch the movie "National Treasure" and observe all the codes the characters find and use. Discuss the different tools and messages.

CREATE

Make an experience of your own.

- Create your own secret code with a friend!
- Make your own scytale just like the ancient Greeks used! Follow the directions in the book.

IMAGINE

Use your imagination to explore.

- Imagine you are spy for the army. What sort of code would you use to help transfer messages to your commander?
- Imagine you have grown up and now need a job. What sort of jobs could you have today that you would need to use codes?
