

Otis the Very Large Dog

By Claudia Harrington

HAVE
FUN!

Discuss

Talk through your thoughts.

- Talk with someone about what a big responsibility it is to have a pet and the care needed for different types of animals.
- Because Hank's bike wasn't stored where it was supposed to be, his dad accidentally ran it over. Are you responsible with your belongings, do you have places for them?

Create

Make an experience of your own.

- Make a special space to store your things in your house, room, or yard.
- Draw a picture of what your pet-sitting sign would look like.

Imagine

Use your imagination to explore.

- Think about all the different animals you could watch if you were to pet sit. What would be your favorite one to watch?
- Imagine all the fun things you could do with the animals you watch. Where would you take them? What would you do?

Imaginando

Discutiendo. Creando. Explorando.

- Habla con alguien acerca de la gran responsabilidad que es tener una mascota y de cómo debes cuidar diferentes tipos de animales.
- Debido a que la bicicleta de Hank no fue almacenada donde se suponía que estaría su padre accidentalmente la atropelló, ¿eres responsable de tus pertenencias, tienes lugares para ellas?
- Haz un espacio especial para guardar tus cosas en tu casa, habitación o patio.
- Haz un dibujo de cómo se vería el letrero de tu mascota sentada.
- Piensa en los diferentes animales que podrías ver si fueras a sentarte como mascota, ¿cuál sería tu favorito?
- Imagina todas las cosas divertidas que podrías hacer con los animales que ves, ¿adónde los llevarías y qué harías?
